

DISCLAIMER

ALL PRODUCT, PRODUCT SPECIFICATIONS AND DATA ARE SUBJECT TO CHANGE WITHOUT NOTICE TO IMPROVE RELIABILITY, FUNCTION OR DESIGN OR OTHERWISE.

Monocure 3D Pty Ltd, its affiliates, agents, and employees, and all persons acting on its or their behalf (collectively, "Monocure"), disclaim any and all liability for any errors, inaccuracies or incompleteness contained in any datasheet or in any other disclosure relating to any product.

Monocure 3D makes no warranty, representation or guarantee regarding the suitability of the products for any particular purpose or the continuing production of any product. To the maximum extent permitted by applicable law, Monocure 3D disclaims (i) any and all liability arising out of the application or use of any product, (ii) any and all liability, including without limitation special, consequential or incidental damages, and (iii) any and all implied warranties, including warranties of fitness for particular purpose, non-infringement and merchantability.

Statements regarding the suitability of products for certain types of applications are based on Monocure 3D's knowledge of typical requirements that are often placed on Monocure 3D products in generic applications. Such statements are not binding statements about the suitability of products for a particular application. It is the customer's responsibility to validate that a particular product with the properties described in the product specification is suitable for use in a specific application. Parameters provided in datasheets and / or specifications may vary in different applications and performance may vary over time. All operating parameters, including typical parameters, must be validated for each customer application by the customer's technical experts. Product specifications do not expand or otherwise modify Monocure 3D's terms and conditions of purchase, including but not limited to the warranty expressed therein.

Except as expressly indicated in writing, Monocure 3D's products are not designed for use in medical, life-saving, or life-sustaining applications or for any other application in which the failure of the Monocure product could result in personal injury or death. Customers using or selling Monocure 3D products not expressly indicated for use in such applications do so at their own risk. Please contact authorised Monocure 3D personnel to obtain written terms and conditions regarding products designed for such applications.

No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document or by any conduct of Monocure 3D. Product names and markings noted herein may be trademarks of their respective owners.
